### PERSONAL DATA PROTECTION

Protection of data privacy is permanent. The Collector takes all necessary measures to protect the data in accordance with applicable regulations and good practices.

The Collector handles personal data in accordance with the Croatian Data Protection Act and the General Data Protection Act (GDPR), while applying the corresponding physical and technical security measures for protection of personal data from unauthorized access, misuse, loss or destruction. Procedures and methods of processing personal data, as well as physical and technical-security measures for the protection of personal data are regulated in accordance with GDPR regulations by internal rules and the GDPR Policies of the Collector.

The Collector shall give, sell or make personal data accessible to third persons other than those specified in the signed consent. By exception, The Collector may give Cardholder's personal data to a third persons when the transfer is:

- necessary in order to conduct activities taken at the Cardholder's request,
- made compulsory by law in public interest,
- needed to initiate, conduct or defend against legal requests,
- needed to protect the vital interests of the Cardholder.

Collected data may be sent to the Processors for processing, namely external informatic service, external user support for purpose of confirmation of reservation. The Collector will keep collected data for a period that will be in accordance with Collector's internal GDPR Policies, after which period the data will be automatically deleted.

#### **Sending messages by e-mail**

When the Cardholder sends an e-mail with personal data by which they can be identified, either by e-mail with question or comments, or forms delivered by e-mail, the Collector will use such data only for the purpose of meeting the Cardholder's request.

#### **Right to view and access**

Cardholder may at any time request access to all personal data collected by the Collector and means and purposes of processing it. Cardholder may request from the Collector to update and change personal data in case of their change.

#### **Right of deletion**

Cardholder has the right to obtain from the Collector deletion of personal data pertaining to them providing one of the following terms has been met:

- a) personal data is no longer needed for the purposes in which they were collected or otherwise processed,
- b) the Cardholder withdraws the consent on which the processing is based and there is no other legal basis for processing,
- c) the Cardholder files a complaint to the processing and there is no stronger legitimate reason for processing,
- d) personal data has been illegally processed,
- e) personal data has to be deleted in order to meet the legal obligation arising from law of EU or a Member State applicable to Collector.

#### **Withdrawal of consent**

The Cardholder may withdraw their consent at any time. Withdrawal does not affect the legality of processing based on consent made before its withdrawal. Withdrawal may be filed by e-mail to the above stated the Collector's address.

#### **Legality of processing**

The Collector will process Cardholder's data in a legitimate and secure manner. If the Cardholder considers that the Collector handles their personal data illegally, they have the right to file a complaint with the Supervisory body (Agency for data protection – AZOP).
